HISTORICAL MASQUERADE DIRECTORS NAMED!

Costume-Con 26 is pleased to announce that the Historical Masquerade Directors have been named! The incomparable team of Eleanor Farrell and Shelley Monson has been tapped to direct the Historical Masquerade. Eleanor Farrell is well known for her winning entry with Deb Jones (entitled "Alliance") in the Costume-Con 7 Science-Fiction and Fantasy Masquerade as well as for her direction of the MythCon Masquerades. Shelley Monson is an active member of the Costume Society of America, and is the

Eleanor and Shelley join Science Fiction and Fantasy Masquerade Director Jennifer Tifft, and Future Fashion Show Directors Bruce and Dana MacDermott as part of CC26, and we couldn't be happier! REGISTRATION RATES EXPECTED TO RISE

Sources who prefer to remain unnamed due to the sensitive nature of this report have confided in an exclusive to PR 1.1 that the currently low registration rates are scheduled to rise shortly. After April 30th, registration rates will go up. The public is advised to take cover, store water and duct tape, and tell friends and neighbors to register soon for Costume-Con 26 if they haven't done so already! A registration form can be found on the next page of this Progress Report, as well as at www.cc26.info. Act now before it's too late!

IT'S NEVER TOO SOON TO WIN A CC26 HALL COSTUME AWARD

Confidential sources (yes, it's that guy again!) tell us that Costume-Con 26 will be giving out Pre-Con Hall Costume Awards at a convention near you. Wear your hall costumes to conventions throughout the country - not just in the Silicon Valley - and keep an eye out for those mysterious looking people in lab coats bearing ribbons!
